

# **Spirits Invitational COVID Policy**

(8/3/2020)

St. Louis Spirits is located in St. Louis County and must abide by all county health codes, including those that pertain to COVID-19.

- This may include but is not limited to health screenings, temperature checks and hand sanitation prior to entrance.
- Face masks may be required for all spectators and coaches.
- Depending on the situation at the time, Spirits may be forced to run the meet with limited or no spectators. If this is the case, we will plan to stream the competition online.
- Spirits may also run a smaller number of participants per session to allow for proper social distancing.
- We will continue to sanitize common surfaces and follow other safety protocols.
- Athletes should plan to bring their own block of chalk in a zip lock bag or other container. Teams that are not currently doing this may bring a block per team or follow whatever your team policy is regarding chalk, however, we will not have a common use chalk tray available.

Once specific guidelines are published, closer to the meet date, teams will have the option to withdraw for a full refund. The refund policy on our handout refers to the meet running as scheduled and team/participant late entry and withdrawals that are not COVID related.
